Any words of wisdom?

Pay attention to Coach. Out of all of the teachers I had in high school, no teacher has had had a more tangible and significant impact. No other instructor will teach you to speak and formulate coherent thoughts to a public audience like Coach will. Public speaking abilities are crucial to success in the world after high school. Inculcating Coach's instruction will set you far ahead of your peers in many pursuits.

Would you be interested in becoming an alumni DECA member with our chapter? **Yes**
